

Fairphone The (Gen. 6) Top Unit

Model: F6TOPU-1ZW-WW1

Manufacturer: FAIRPHONE

EAN: 8718819370017

Product Code: 1691401

R1,518

What’s in the top unit?

The top unit houses the flash for your camera as well as the time-of-flight (ToF) sensor. The camera flash is also what doubles up as your torch, while the ToF sensor plays an important role in image post-processing. It is also used for object detection, which is useful for certain AI and AR functionalities. Please note the individual camera units and SIM/SD Card tray is sold separately.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
