Full-screen coverage: the protective glass with black ultra-wide frame merges with the edge of the smartphone and offers complete protection for the front - from the display to the edges

Quick and easy to attach

Attach the display protector with simple in-box Installation: clean the mobile phone display, place the mobile phone in the packaging box and close it, pull the tab — done

Precision glass

Precisely cut out: CNC-milled with such precision that the cut-outs, e.g. for the camera, are minimised to guarantee maximum coverage of the display

Anti-fingerprint

"Perfect touch" surface with anti-fingerprint coating

Suitable for every case

Case-friendly: the special design means it fits all mobile phone bags, sleeves and cases

Electrostatic adhesion

Attaches in an electrostatic way, therefore no adhesive needed, can be removed without leaving any residue

> 20% from verifiably recycled sources

Turning old into new: the material of this product consists of 60 % verifiably recycled glass

FSC

FSC-certified: the paper and cardboard used in our packaging comes from sustainable forest management - enabling us to take a resources-sparing approach to the raw material of wood
