and an ultra-lightweight, floating headband design with memory foam cushions will keep you locked in the game for hours in complete comfort. Precision-tuned, amplified 40mm drivers along with extensive audio tuning in the Swarm™ II desktop & mobile apps deliver ultra-clear, customizable audio quality, optimized for spatial audio. Chat with ultra-clear voice accuracy thanks to the omni-directional flip-to-mute microphone.

Step up to Wireless Freedom

Play your favorite games on PS5™ & PS4™, PC, & mobile devices with low-latency 2.4GHz wireless and Bluetooth® 5.2 connectivity.

Best-In-Class Battery Life

With up to 40 hours of battery life and quick charge you can enjoy long gaming sessions without worrying about running out of power.

QuickSwitch Technology

Easily switch between 2.4GHz wireless & Bluetooth® connections with the built-in QuickSwitch button. A simple press of the button switches your audio & chat source between wireless & Bluetooth® devices, enabling you to effortlessly transition between connections.

Non-Stop Comfort

An ultra-lightweight, floating headband & plush memory foam ear cushions provide a fit so comfortable, you'll forget you're even wearing a headset.

Anywhere Audio Customization

Connect to the Swarm™ II desktop software for PC or mobile app for iOS or Android to access a 10-band audio EQ, audio & microphone presets, and more*. Plus, you can update the firmware easily using Swarm™ II to ensure your Stealth™ 500 is always up to date.

*Select advanced audio features available in 2.4GHz wireless mode may not be supported in Bluetooth® mode.
