Stronger deterrent for intruders

Cruiser SC is equipped with warning lights that emit red and blue light, which will protect your home from intruders by being more of a deterrent when an intruder is detected than a regular white light warning.

Light the night up with smartness

Cruiser SC can adjust different night vision modes according to your needs, whether you want the night vision to remain in full color all the time or want to turn on full color only when there is an event to save energy, it can always satisfy you.

Smart mode

The camera will automatically turn into color mode from infrared mode when suspicious motion is detected.

Full-color mode

Thanks to the built-in spotlights, your night vision is now turned up and in full color.

Infrared mode

Advanced IR algorithm provide clear black-and-white pictures even in darkness.

Off mode

Turn off all night vision modes Infrared and spotlights are all turned off.

Panoramic pan & tilt for 360° protection

Cruiser SC supports 0°-355° pan and 0°-90° tilt to fully protect your home with a 360-degree view.

More efficient human detection

Cruiser SC will activate the video algorithm for person detection when motion is detected, ensuring efficient detection.

Stay on target

The detection algorithm of Cruiser SC continuously tracks moving objects in the frame, keeping the target in the frame at all times.

Professional protection to weather any storm

Cruiser SC is able to against dust penetration and can easily handle rain and wind, keeping you safe around the clock.

Connect your home from anywhere

A built-in speaker and a microphone with the echo cancellation feature allow you to interact with family from anywhere.

More stable connections with Wi-Fi 6

Cruiser SC supports the latest Wi-Fi 6 standard, which can significantly increase transmission rates and make data transfer more stable and secure.

Deter unwelcome visitors

Cruiser SC keeps an eye on your house, when someone breaks in, the 110dB siren will turn on to deter the unwelcome visitor.

Larger bracket for easier installation

The Cruiser SC has upgraded the bracket and increased its size to make it easier to install and to improve heat dissipation.
