R9,007

Designed specifically for use with Zebra's HC100 printer, our Z-Band Direct cartridges feature our premium, direct thermal adhesive tab closure wristbands for patient identification.

Z-Band Direct wristbands feature:

A patent-pending silver antimicrobial coating which test results show effectively protects the wristband against S. aureus, P. aeruginosa, E. coli and MRSA Types, II, II & IV.

Several size options:

- Adult: 1 x 11”, 1.1875 x 11” and 0.75 x 11”.
- Pediatric: 1 x 7”.
- Infant: 1 x 6”.

Seven color options for color-coding. The 1” adult wristbands are available in red, blue, green, yellow, pink, purple and orange.

Tamper-evident slits for security purposes.
