Fanttik V8 Apex cordless portable car vacuum cleaner (black)

The Fanttik Slim V8 Apex is a compact cordless car vacuum cleaner with a maximum suction power of 19,000 Pa, equipped with 10 interchangeable cleaning tips. It is an improved version of the Slim V8 Mate model, offering more power (19 kPa vs. 12 kPa) and additional blower, pump and suction functions.

Multifunctional

The device combines the function of a vacuum cleaner, blower, pump and air extractor. With its extensive set of accessories, you can remove dirt from hard-to-reach places, clean upholstery from pet hair, start a fire for barbecues or pump up mattresses and balls. The air suction function makes it

easy to compress vacuum bags.

Advanced accessories

The kit comes with tips to adapt the device to different tasks. The crevice and flexible nozzle allow you to reach narrow spaces, the soft-bristle brush removes stubborn dust, and the rubber and all-purpose brushes are suitable for different types of surfaces. Blower tips allow you to quickly pump up swimming wheels, balls or mattresses.

High suction power

The 80,000-rpm brushless motor generates consistent power of up to 45 AW to effectively remove sand, dust and larger debris. Two operating modes - Eco (40 minutes) and Max (13 minutes) - allow you to adjust the power to suit the type of dirt. An improved drive system ensures stable airflow throughout the work cycle.

Refined design

The device weighs just 498 g, equivalent to the weight of a bottle of water, so it can be operated with one hand. The compact design and included bag make it easy to store the device with accessories in the car. The dust container opens with one button, and the HEPA (High Efficiency Particulate Air) filter traps up to 95.99% of dust. A spare filter is also included.

Fast charging

With a USB-C (Universal Serial Bus Type-C, a universal connector for data and power) port, the battery can be charged in about 2.5 hours using a car charger, wall charger, powerbank or computer. This makes it possible to renew the device's energy anywhere.

Included

- Vacuum cleaner body
- Soft bristle brush
- Flexible squeegee
