The flat, clearly designed keyboard with short-stroke soft keys enables precise, fast writing with minimal noise generation. In addition, the key legends are laser engraved, making them durable, wear resistant and easy to read. The optical 3-button mouse matches the design and technology of the keyboard, and glides impressively over most surfaces. CHERRY DW 3000 is optimised for professional use in the workplace – in typical CHERRY quality: reliable, high performance and lasting.
