LANBERG WF01-6415-10S wall-mounted rack 19inch demounted flat pack 15U/600x450mm gray

Model: WF01-6415-10S

Manufacturer: LANBERG

EAN: 5901969403183

Product Code: 1692664

R2,958

Wall mount, single section Lanberg cabinet is a solution designed to expand networks, installation of cabling and equipment. It can be used in networks, server rooms, small and medium businesses. It can also work in low voltage systems such as cable television networks, alarm systems, fire protection systems and access control systems, CCTV and IP surveillance. Appropriate design allows simple, self-assembly. Cabinet is characterized by IP20 degree of protection, opening front door with possibility of rotate to 180° with lock, removable side panels. The cabinet has cable entry panel on top and bottom cover. This product is made of high grade cold rolled steel.
