The Neomounts DS42-430BL12 is a bolt-down TV desk mount for screens up to 43" with a weight capacity of 50 kg. The TV mount features a practical swivel option (60°) to easily position the TV in the optimum viewing angle.

The DS42-430BL12 is suitable for screens that meet pattern 100x100 to 200x200 mm. For non-standard hole patterns, Neomounts has various VESA optional adapter plates available. Cables can be routed neatly through the rod and table top thanks to the internal cable management. The bolt down base ensures solid installation of the mount to the desk.
