R3,881

The MultiBind 208 is a durable multi-functional binder with the flexibility to produce comb or wire bound documents. Ideal for the home or small office, it is lightweight, practical and simple to operate. It can punch up to 8 x 80gsm sheets at once and bind up to 125 sheets using a 14mm comb or 21 loop MultiBind wire.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
