NET ACC POWER CABLE 4WAY SCREW/TERMINAL PR2FK20M TELTONIKA

Model: PR2FK20M

Manufacturer: TELTONIKA

EAN: 4779051840618

Product Code: 1693015

R789

POWER CABLE WITH 4-WAY SCREW TERMINAL

The **Teltonika PR2FK20M** is a 2-meter power cable used to connect Teltonika routers (RUT/TRB series) to custom DC power sources.

Where it is used:

- **Vehicles:** Hardwiring routers into cars, trucks, buses, or boats (12V/24V systems).
- **Industrial Panels:** Connecting to DC power rails in factory control cabinets.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
itworkup.co.za | sales@itworkup.co.za | +27 (11)541-9950

- **Off-Grid/Solar:** Wiring directly into solar controllers or battery banks.
- **Custom IoT:** Using the built-in I/O pins for remote monitoring (e.g., door sensors or relays).

Why use it?

It replaces a standard wall plug with a **4-way screw terminal**, allowing you to securely fasten raw wires without soldering or specialized tools.
