APC BX750MI-FR uninterruptible power supply (UPS) Line-Interactive 0.75 kVA 410 W 3 AC outlet(s)

Model: BX750MI-FR

Manufacturer: APC

EAN: 731304413554

Product Code: 1693268

R2,799

Automatic Voltage Regulation (AVR)

Automatically steps up low voltage and steps down high voltage to levels that are suitable for your equipment.

Dataline surge protection

Provides protection of connected equipment from power surges on the data lines.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

PowerChute Personal Edition OS Compatibility

This software supports numerous operating systems and processors.

USB connection

Use your PC to access additional power protection and management features for your UPS via a USB Port.

Audible alarms

Provides notification of changing utility power and UPS power conditions

LED status display

Quickly understand unit and power status with visual indicators.

Intelligent battery management

Maximizes battery performance, life, and reliability through intelligent, precision charging.

Automatic self-test

Periodic battery self-test ensures early detection of a battery that needs to be replaced.

Battery failure notification

Provides early-warning fault analysis on batteries enabling timely preventive maintenance

Surge only outlets

Protect secondary electronics from surges and spikes without reducing battery power used to run primary electronics during an outage.

Battery and surge protected outlets

Back up and protect your hardware and data during power outages, surges and spikes.
