The joy of photo printing is sharing pictures with others, and no printer helps you do it better. Customize your Sprocket’s name and LED colors to create a personalized experience for everyone. Name your Sprocket and customize the LED light color that lights up when you print.

All-in-one editing & printing app

With the HP Sprocket app, you can customize your photos to make personalized creations. Use the app to print from connected social media accounts and your camera roll. Break past traditional limits with the HP Sprocket.
