

APC Battery Replacement Cartridge APCRBC141 (OEM)

Model: APCRBC141

Manufacturer: APC

EAN: 731304292531

Product Code: 1693460

R10,653

User-replaceable batteries

Increases availability by allowing a trained user to perform upgrades and replacements of the batteries reducing Mean Time to Repair (MTTR)

Fully assembled for easy hot-swap installation

APC RBCs are safe, reliable and contain a minimum number of connections saving valuable time. Because APC RBCs are hot-swappable, no network downtime is required in order to install them.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Prepaid postage to a nearby recycling partner (availability varies by country)

Insures that almost 100% of the old battery is recycled, protecting the environment.

Re-usable packaging with clear instructions on how to properly dispose of spent batteries.
Convenient, easy and green.

Long battery life

Designed by APC by Schneider Electric exclusively for APC UPS's for complete compatibility with the intelligent battery management system.

Guaranteed UPS compatibility

Tested and approved to restore the performance of your APC UPS. Maintains UPS safety certifications (UL, VDE, CSA) and lifetime equipment protection policy (as applicable).
