Bosch GCM 18V-216 D PROFESSIONAL 5000 RPM

Model: 0601B51000

Manufacturer: BOSCH

EAN: 4059952613239

Product Code: 1693768

R14,268

Product Highlights

The cordless GCM 18V-216 D Professional offers maximum cutting performance thanks to its BITURBO Brushless drive train combined with a ProCORE18V battery. The mobile miter saw can easily control long materials during cutting due to its detachable workpiece supports and long table extensions. Its dual bevel setting with ergonomic bevel lock wheel allows more comfort and flexibility for demanding cuts.

Equipment & Application

The GCM 18V-216 D Professional is versatile for cross cuts, miter cuts, and bevel cuts in wood, aluminium, and PVC plastic. It is compatible with all batteries and chargers in the Bosch Professional

18V System. For maximum power, use ProCORE18V ≥ 5.5 Ah. For sufficient runtime, 8 Ah or 12 Ah are recommended. It is also compatible with all Bosch dust extractors, GTA saw stands, and saw blades for cordless miter saws. Also compatible with AMPShare, the multi-brand battery alliance.

Additional Information

The light cordless miter saw has various one- or two-handed carrying options and its compactness make it easy to transport. Higher precision is ensured due to the dual laser lines on the left and right side of the saw blade.
