R6,077

The **Canon PIXMA G650 MegaTank** is a versatile all-in-one printer designed for both home and office use. With its advanced **inkjet printing technology**, this printer delivers stunning color prints with a maximum resolution of **4800 x 1200 DPI**. The **Canon** brand is renowned for its commitment to quality and innovation, making the G650 an excellent choice for those seeking reliable performance and exceptional print quality.

In addition to high-quality printing, the **Canon PIXMA G650** also offers **color copying** and **color scanning** capabilities, with an optical scanning resolution of **600 x 1200 DPI**. This multifunctional device supports a maximum paper size of **A4**, making it suitable for a variety of tasks, from printing documents to scanning important files. The inclusion of **Wi-Fi** connectivity allows for seamless direct printing from your devices, enhancing convenience and efficiency.
