R1,531

Meet Matter

All-Round Compatibility

With Matter support, using one app to control all smart devices is no longer a fantasy. Integrate Tapo Matter devices into your favorite ecosystems to create a unified smart home.

Anti-Overcharging

When the device is fully charged, the current automatically shuts off, giving you peace of mind to focus on what truly matters.

Power Protection

Your connected device will automatically shut off when the power exceeds the set threshold, protecting your household's safety.

The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Use simple voice commands with Siri®, Alexa, or Google Assistant to conveniently control connected devices without having to walk out of the house.

Power on your holiday decorations, sprinkler or porch light according to your routines and preferences.

Turn on/off your connected devices with the Tapo app from anywhere at anytime.

Enjoy Easy, Friendly Setup

Tapo offers users multiple options to simplify configuration experiences.
