

ADATA ALEG-800-1000GCS internal solid state drive 1 TB M.2 PCI Express 4.0 NVMe 3D NAND

Model: ALEG-800-1000GCS

Manufacturer: ADATA

EAN: 4711085940223

Product Code: 1694466

R5,636

Evolve Your Creativity

LEGEND 800 supports the latest PCIe Gen4 x4 interface, which meets the NVMe 1.4 standard. It offers excellent read and write performance, and support for the latest Intel and AMD platforms. Whether on a desktop or notebook PC, progress you creativity.

Unlock Inspiration

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

LEGEND 800 delivers sequential read and write speed of 3,500/2,800MB per second, which is up to 2 times faster than a standard PCIe Gen3 SSD and 6 times faster than a SATA SSD. It is backward compatible with PCIe 3.0 and made for creating, whether 3D graphic of video!

More than Ample 2000GB Capacity

With 3D-stacked flash memory, the LEGEND 800 provides you with capacities of up to 2000GB. What's more, it comes with various protection and correction technologies, and high TBW (Total Bytes Written) for durability and reliability.

Imagine the Possibilities

Creativity can't wait! The LEGEND 800 is equipped with SLC caching and HMB technology (Host Memory Buffer) for seamless productivity.

Keeping Things Cool

The LEGEND 800's black heat sink design with bronzing trimming and sandblasted surfaces look cool and keep things cool. Through a cutting-edge surface treatment, it dissipates heat incredibly effectively reducing temperature.

Create Without Worry

LDPC (Low Density Parity check Code) and AES 256-bit encryption ensure data accuracy and file security.

SSD ToolBox Software

ADATA SSD Toolbox allows for the monitoring of drive health and remaining life through Self-Monitoring, Analysis and Reporting Technology (S.M.A.R.T.) attributes. It also lets you keep track of the current operating temperature, capacity, and total space used, plus keeps you up-to-date on firmware.

3-Year Warranty

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
itworkup.co.za | sales@itworkup.co.za | +27 (11)541-9950

LEGEND series solid state drives use high-quality chips that can withstand the test of time and space. They undergo a rigorous verification and testing process to ensure reliability. If that wasn't enough, they come backed by a 3-year warranty.
