Immerse yourself in outstanding sound quality with the audio system, featuring two speakers for a truly exceptional audio experience. Need a bigger sound? The 3.5 mm jack output is there to connect your earphones or external speakers.

Wireless screen mirroring

Connect your mobile devices such as tablets, smartphones or even computers wirelessly to mirror and share your contents. With the Dual band (2.4 and 5 GHz), your connection will get even more stable and faster for smoother playback.

LED light source

The high-quality LED light system delivers rich, vivid colours that last up to 30,000 hours. With an average use of 4 hours per day, this projector will last for up to 20 years.

Full HD 1080p

Bring your entertainment to life with True Full HD 1080p — enjoy razor-sharp images, deep contrast and crystal-clear text for an unforgettable viewing experience.

180 degree rotative stand

Break free from traditional viewing with its innovative 180 degree rotating stand. This feature invites you to redefine the boundaries of your entertainment.

Up to 80'' screen size

Enjoy your favourite films, series and more on a stunning projection of up to 80 inches — delivering crisp visuals and rich detail for a truly immersive viewing experience.
