Model: S0929010

Manufacturer: DYMO

EAN: 3501170929018

Product Code: 1694805

R2,526

The compact, accurate DYMO M10 Digital USB Postal Scale weighs envelopes and packages up to 10 kg (22 lb). This scale is packed with great features – including a “hold” feature that locks the weight display for 10 seconds when the screen is obscured by a larger item, a tare function for accurately weighing items in a container, and an automatic shut-off that prolongs battery life. Free DYMO Scale Software. Display the scale weight on your Mac® or PC screen. Powered by 3 AAA batteries (not included) or USB cable (included) connected to PC or Mac®.
