Card and license, the UPS can connect to EcoStruxure IT or third-party centralized management platforms. The Built-in automatic and manual bypass provide seamless power to the load even in the event of an internal detected fault or error in UPS. The Emergency Power Off (EPO) function can remotely shut off the UPS in an emergency. It comes with a 5-year warranty. The SRVL comes with a easy-to-read 90 degree rotatable LCD display for detailed and accurate information on UPS status. This lithium-ion UPS is ideal for Surveillance, Co-working space, Healthcare IT, ATMs, Micro Data centers, and Server rooms.
