R1,356

Gigabit Switch with 8 ports — Easily add Ethernet-ready devices to your home or office network at speeds up to 1000 Mbps

The 8-Port Gigabit Ethernet Switch from Intellinet Network Solutions is perfect for home offices and small-size businesse looking for a durable switch that is reliable and easy to install. Small and powerful, this Gigabit Switch is easy to install and connects up to five computers, servers, printers, switches or any other Ethernet devices at 10, 100 or 1000 Mbps over Ethernet cables, and it works with any operating system. The auto features of this switch make installation plug-and-play and hassle-free. Plus, it has Green Ethernet technology, allowing it to monitor power usage and turn off unused ports to save electricity.
