18” MiniLED Gaming Power. Surprisingly Light.

MSI Stealth 18 HX A2W is a premium 18-inch AI Ready gaming laptop built for gamers and creators who want expansive visuals, high performance and a personal AI agent in a refined, portable design.

It delivers sustained performance for demanding games and creative workloads with smooth, immersive visuals and responsive gameplay. Intelligent system optimization keeps performance stable during long sessions, while the large display enhances productivity and entertainment. Despite its size, it remains one of the lightest laptops in its class.
