The Leitz IQ Home Office 150 P5 is a fully automatic, next-generation paper shredder that quietly gets to work—so you don’t have to. Simply load up to 150 A4 sheets at a time (80gsm), staples and paper clips included, close the lid, and carry on with your day. It’s intelligent, hands-free shredding with zero hassle.

With unique Bin Rotation Technology (BRT), the bin rotates during use to prevent uneven piling, eliminating peaks and ensuring flat, even paper distribution for maximum capacity.

Paired with advanced flat-cut technology, this micro-cut paper shredder produces shreds smaller than the standard DIN P5 size, delivering enhanced security and quieter operation. The manual feed

slot allows for quick shredding of up to 6 sheets, while anti-jam technology and ultra-quiet performance make it ideal for small office spaces. With a 30-minute continuous runtime and simple touch controls, it’s built for smooth, uninterrupted shredding.

Its compact footprint saves space without compromising performance. The 15L pull-out bin holds up to 150 sheets and features stylish LED illumination when in use—enhancing the modern design while making waste levels easy to monitor. The clean-emptying system keeps shreds contained, so disposal is quick, tidy and stress-free.

The full (cradle-to-grave) carbon footprint of the Leitz IQ OptiMax Autofeed 150 P5 has been officially calculated according to the Greenhouse Gas Protocol standard and delivers a 4.03% CO2e reduction compared to the previous 2020 Leitz IQ Autofeed Office 150 P5 model. This reduction derives from its more compact design, reduced material use, and lower transport volume — making it the ultimate hands-free shredder from Leitz that makes you feel good.
