Professionals today struggle with the physical strain and fatigue caused by prolonged computer use. Traditional mice, with their flat one-size-fits-all design, often force the wrist into an unnatural position, leading to discomfort and hampered productivity.

Organisations are increasingly seeking more sustainable solutions to address their growing environmental, social and governance (ESG) responsibilities. *Excludes PCB assembly, rechargeable battery and charging cable

The Pro Fit™ Ergo MY630 EQ Rechargeable Mouse is a full-size vertical mouse that promotes exceptional ergonomic comfort. Including of a minimum of 57% post-consumer recycled content of the total plastic components*, the MY630 empowers professionals to work smarter and more comfortably.
