Model: GLB227002

Manufacturer: ESTUFF

EAN: 5715063550137

Product Code: 1695961

R1,962

Get a better monitor viewing experience and enjoy a comfortable workstation. You can easily tilt, pivot and adjust the mounting arm to reduce eye, back and neck strain.

The monitor mounts are easily assembled and are mounted with VESA standard Quick release plates. If you change or replace your monitor, you can always find something compatible with the eStuff monitor mount.

The cable management on the monitor mounts organizes and routes all cables to give you a clean desk and eliminate hazards associated with loose cabling.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
