The light and compact design ensures upper class comfort allowing you to forget you're wearing earbuds.

nearphones

The JVC nearphones series features open-ear earbuds that let you stay aware of your surroundings while enjoying your favorite music without blocking your ears. With a focus on comfort and sound quality, nearphones are designed to integrate seamlessly into your daily life, adding a subtle soundtrack to every moment. Experience an enhanced everyday with JVC nearphones.

Jewelry-Inspired Earcuff Design

These fashion-forward nearphones come in five unique colors—Teal Blue, Maroon, Ice Grey, Off White, and Coal Black—and feature a sleek, shiny arch. The compact charging case is designed to seamlessly blend with your everyday fashion ensemble.

Secure Fit for Active Lifestyles

Reliable stability for sports or heavy workout without compromising comfort or security. Featuring arms which open like a clip, you can wear the earbuds easily, and they softly grip your ears.

Peace-of-Mind Listening Experience

With these open-type earbuds, enjoy a sense of freedom and stay connected to your surroundings while listening to your music.

Effortless Usability

Equipped with features that perform well in both remote work and office.
Multipoint, Low Latency Mode, 24 Hours of Battery Life, Smartphone App
