KEYBOARD WIRED C3 PRO RGB/RETRO C3PX-H1 KEYCHRON

Model: C3PX-H1

Manufacturer: KEYCHRON

EAN: 4894979015914

Product Code: 1696005

R2,004

The C3 Pro 8K is a wired mechanical keyboard with a classic TKL (80%) layout and many premium features like QMK support, PBT keycaps, a 8000 Hz polling rate, etc., which provides endless possibilities and a comfortable typing experience!

8K Polling Rate Keyboard

The 8000 Hz polling rate can result in a high-speed signal transmittance between the keyboard and the connected device. Ideal for competitive gaming and high-performance typing, C3 Pro 8K minimizes input lag, ensuring every keystroke registers instantly. Dominate the competition when split seconds decide victory! Easily switch among 1000 Hz / 4000 Hz / 8000 Hz polling rate with our Launcher web app.

The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Program with QMK & Launcher.

The open-source QMK firwaremeans endless possibilities for key remapping, macros, shortcuts, and more. Now you can easily customize each key with the our accesible web app.

Satisfying Keyboard Acoustics

With pre-lubed switches, 3.5 mm thick EVA acoustic foam, IXPE film EPDM foam, and a silicone pad inside the keyboard, the Keychron C3 Pro 8K delivers an exceptionally satisfying, soft, and thocky typing sound, enhancing your typing experience.

Cherry Profile Double-Shot PBT Keycaps

Engineered with double-shot keycap set on RGB Backlight versions, the PBT keycaps will provide excellent oil resistance, enhance the type feel, and prevent the legends from fading out.

Suitable For All Devices

The Caps Lock key of C3 Pro 8K also serves as a system toggle. Easily press FN + Caps Lock to switch to different system as you like. More customization fun with our complementary keycaps for Windows system. You can even configure different keymaps for Mac and Windows devices.

Hot-Swappable

Every detail matters for a personalized typing experience, that’s why we give you the power. You can hot-swap every switch on the C3 Pro 8K with almost all of the 3pin and 5pin MX style mechanical switches on the market (including Cherry, Gateron, Kailh, Panda, etc.) without soldering. You can customize your own typing experience in seconds.

North-Facing RGB LED Lights

The letters on the keycaps are brighter when illuminated with north-facing RGB lights, making the keyboard easier to read in dim light. Especially with our shine-through keycaps, you can have a more vibrant and glamorous light effect.

Keychron Super Switch

Our exclusive Keychron Super switch adopts a new mold with unparalleled precision. Every switch is tested for pro-grade quality and has a lifespan of up to 50 million clicks, providing great reliability and high performance for long typing sessions. Its new light affection structure on its transparent top

housing also ensures high light transmittance and a more consistent, brighter backlight effect.

Ergonomic Support

Three levels of adjustable typing angle (4º, 6º & 8.7º) and cylinderical-shaped Cherry profile keycaps are all working together to provide long-lasting ergonomic support for your wrist.
