Lanview RAB400BL rack accessory Blank panel

Model: RAB400BL

Manufacturer: LANVIEW

EAN: 5420016840226

Product Code: 1696014

R958

Blanking Panels with a vented design enables unobstructed airflow through your rack, to help ensure your equipment is running at an optimal temperature.
Without blanking panels, the hot exhaust air from the rear of the servers will recirculate through empty spaces in the server rack into the air intakes on the front of the servers which will significantly reduce the cooling efficiency of the system.
Blanking panels are the easiest and first step towards achieving your Power Usage Effectiveness (PUE) goals. Along with the increase in airflow efficiency, the blanking panels give your rack a seamless and professional appearance.
