Built to perform. Dressed to impress.

Galaxy Watch8 Classic puts a new spin on smartwatches with its signature rotating bezel. Turn to precisely control apps while adding a sophisticated touch to any look.

Power-packed cushion design

Introducing a cushion design with rounded square shape.
Power-packed with an enhanced chipset and sensors, the sleek stainless steel case gives your style an edge without getting in the way.

Redesigned to fit better

Experience our most comfortable fit yet with Dynamic Lug System bands. They're adjusted to hug your wrist snugly for health readings, all while staying comfy and easy to switch out.

One button. More action.

The Quick Button puts more capabilities at your fingertips. Inspired by heritage timepiece design, this traditional element can now quickly launch apps, time workouts and streamline your common routines.

Raise. Speak. Solved.

Google Gemini is an AI assistant that you can speak to naturally. Ask to send a message to your friends or summarize your last email. You can even tell Gemini to remember important information like where you parked – all from your wrist.

BEDTIME GUIDANCE

Your bedtime, on time

Bedtime Guidance analyzes your sleep patterns to understand how much rest you need and the best bedtime to achieve it. As your day ends, Bedtime Guidance gently nudges you to start winding down so you can sleep easy.

One simple number. A world of insights.

Energy Score with Galaxy AI provides a simple summary of your physical readiness based off yesterday’s sleep, activity and heart rate. Dive deeper into insights on your Galaxy smartphone to
