Ultra-compact and tidy

The V39's power and connectivity is handled via a single Micro USB to reduce cable clutter and keep your workspace tidy. The device also has a built-in stand for flexible scanning to suit your desk space.

Fast, high-quality results

Thanks to Epson's ReadyScan LED Technology, you can start scanning instantly - no warm-up time is required. Make sure that even your old photos look their best with Epson Easy Photo Fix software, which improves the quality of your scans by removing dust, restoring faded colours and correcting

backlight. Even your scanned documents will look great as the V39 comes with a range of enhancement features, enabling you to improve text sharpness and remove unwanted 'bleed-through' from double-sided documents.

Convenient

To make scanning quick and easy, the V39 has four one-touch buttons so you can scan, copy, share and turn your photos and documents into multi-page searchable PDFs at the push of a button. For added versatility, a fully-detachable lid makes scanning of thick books, photo albums and other bound items possible. Scan directly to cloud storage services such as SugarSync and Evernote and easily share your photos with family and friends by scanning straight to Facebook and Picasa.
