and much more, you have the ideal solution with the SpotClean Pet Pro Plus. Remove stains and messes like a pro with its powerful 750W motor and two separate large tanks for clean and used water, as well as the 1.5m integrated hose and extra long 7.5m cord. The 15cm attachment is intended for stubborn, everyday stains that it loosens and removes. The stain catcher attachment sprays, scrubs and vacuums up the toughest and most smelly messes and holds them in the attachment to prevent them from entering the appliance. Use the HydroRinse attachment to easily clean the device after use. Plus, every purchase helps save pets. BISSELL proudly supports the BISSELL Pet Foundation® and their mission to rescue homeless pets.

**Lightweight and compact**

Easily stowable. Compact design for easy storage even when space is limited

## Powerful cleaning agent

The dedicated pet household cleaner effectively fights stains and odors.
