comfortably. And the 8" main screen is the most expansive screen on Galaxy smartphones.

Ultra 200 MP camera, now on Fold

Get super stunning, high-resolution shots with our powerful 200 MP camera that's perfectly paired with ProVisual Engine. Capture the finer points in every scene and let our next-gen ProVisual Engine do the rest. It will improve colour and details for clarity that enhances skin tones and textures.

Bring details out of the dark

Capture breathtaking videos even in low light. The high-resolution sensor works together with our advanced ProVisual Engine that's built into the AP, to deliver richer contrast day or night. Noise is also reduced so your shots stay sharp in the dark without the need to edit your videos later on.

The most powerful processor customised for Galaxy

Work at the speed you need with the most advanced Snapdragon® mobile processor. This next-gen processor includes CPU, GPU and NPU enhancements for performance and AI. Plus, our pioneering mobile Digital Natural Image engine (mDNIe) ensures display quality without draining your battery.

Efficient battery powers all-day use

When you're out and about, it's important to be able to enjoy gaming, watching videos or multitasking without worrying about the battery. It's empowered with 4400 mAh and mDNIe technology for maximum power efficiency without draining battery life, to keep up with your busiest days.

Unrivaled immersive display

Enhance your everyday with the powerful Vision Booster. It detects environmental light and adapts screen colour and contrast. It can even reach 2600 nits of peak brightness — ensuring better outdoor viewing. And with advanced tone mapping, you get a clearer and more comfortable viewing experience.

Edit with detail side-by-side

Edit photos to your heart's content with side-by-side previews in Photo Assist. Just press and hold an object to move, erase or enlarge it, and adjust angles or fill backgrounds.

Personalised briefings with Now Brief

See how your day will unfold with Now Brief. Tailored insights, such as the latest weather and Energy Score, are all available at just a glance on the immersive main screen.

Simple summaries, smart organisation

Now you can easily organise and store large summaries from websites with Galaxy AI. Simply drag and drop into Notes app and save for later.

Your privacy, secured in the era of AI

Our Personal Data Engine gathers and processes your personal data safely. Then it encrypts that data and saves it onto your device with Knox Vault, making it harder for anyone else to gain access.
