Dual Charging Efficiency

The Charge 'n' Go offers versatile dual charging options. Enjoy fast 15W magnetic wireless charging for MagSafe iPhones and Android devices* and wired charging of up to 35W via USB-C® PD. Whether you're working, commuting, or exploring, this power bank ensures your devices are charged quickly and efficiently.

*Charging power varies: iPhone up to 7.5W, Android phones up to 15W, depending on device protocols.

Everyday Convenience

With a bi-directional USB-C port, you can charge the power bank and your devices seamlessly. The built-in LED indicator keeps you informed of battery levels, while comprehensive safety features provide worry-free operation.
