The Samsung Odyssey G4 27-inch Full HD monitor is designed to enhance any desktop gaming experience. Featuring vibrant LED backlight technology, this monitor supports both AMD FreeSync Premium and NVIDIA G-SYNC compatibility, ensuring smooth gameplay with minimal screen tearing. With a native resolution of 1920 x 1080 and a rapid response time of 1 ms, visuals are rendered with clarity and precision, while the wide viewing angle of 178 degrees ensures that colors remain consistent from virtually any perspective.

This monitor offers advanced display features such as HDR10 capability, providing a broader color gamut with 99% sRGB support. It also includes several adjustment options, including height, swivel, tilt, and rotation, allowing for a customizable viewing experience. With energy-efficient settings like Power Saving Mode and Flicker-Free technology, this monitor is designed to reduce eye strain, making it perfect for extended play sessions. Elevate your gaming setup with the Samsung Odyssey
