

APC BV1000I-GR uninterruptible power supply (UPS) Line-Interactive 1 kVA 600 W 4 AC outlet(s)

Model: BV1000I-GR

Manufacturer: APC

EAN: 731304338246

Product Code: 1697117

R2,692

Automatic Voltage Regulation (AVR)

Automatically steps up low voltage and steps down high voltage to levels that are suitable for your equipment.

Wall-mount holes

Allow flexibility for setup in tight locations and mounting on wall or other surfaces.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Transformer-block spaced outlets

Protect equipment with input transformer blocks without blocking access to other receptacles.

Sleek design

Slim, modern design can be upright, flat, or wall-mounted to comfortably fit any electronics set-up and complement home décor.

Boost Automatic Voltage Regulation (AVR)

Preserves battery life and maximizes runtime by correcting low voltages without discharging the battery.

Cold-start capable

Provides temporary battery power when the utility power is out.

Advanced Safety Features

Safeguard your Home UPS from overloads, excessive mains voltages, short circuits, installation mishaps and battery damage due to low voltage situations.

Battery failure notification

Provides early-warning fault analysis on batteries enabling timely preventive maintenance

Intelligent battery management

Maximizes battery performance, life, and reliability through intelligent, precision charging.

Battery and surge protected outlets

Back up and protect your hardware and data during power outages, surges and spikes.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Battery backup and surge protection

Outlets provide abundant runtime for network gateway equipment and other critical low-power devices, allowing for hours of internet access during a power outage.

Safety-agency approved

Ensures the product has been tested and approved to work safely with the connected service provider equipment and within the specified environment.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice.
