Enjoy the power you need to mix, puree, crush ice, and more. The highly efficient 800 Watt motor makes preparing your favourite food and beverages fast and easy.

Easy to clean

All parts are easy to disassemble and can be placed directly into dishwasher, including goblet, lid and even blades.

600 ml Smoothie2Go bottles (2x)

Enjoy delicious, freshly blended smoothies or icy drinks anywhere you like: after sports, at the office and on the go. The 600 ml Smoothie2Go bottle is made with Tritan™: shatter, odour and taste resistant. Tritan™ is a robust BPA-free plastic that offers dishwasher durability.

SmoothCrush blade system

The higher blade positioning enables efficient blending circulation, creating perfect flow for optimum blending results.

Silent blending

Designed for less noise and more efficient blending, the PowerBlend 3 lets you whip up your morning smoothie without waking up the whole house.

Thermo resistant glass

No blending limits - easily blend sauces, hot soups, icy drinks and more without the risk of thermal cracking.

Premium stainless steel base

For an elegant and modern kitchen design.
