No “Oops!” with Hoops®! G-L-A-M-O-R-O-U-S. Pick your bling and up your style with gems. PanzerGlass® Silver Glitter Hoops® Camera Lens Protector is next level in style and protection. Precise fit, paved twinkle gems and scratch proof. Did some one say sky-high first class? Silver glitter Hoops® keep your camera lenses safe from accidental drops on stone-hard floors, bumps against sharp corner, and the screeching kiss of keys in your pocket.

Our silver glitter Hoops® are designed to seamlessly complement your chosen phone color. The slim-profile optic rings are equipped with scratch and shock-resistant glass and frames that both

protect your lenses and look glamorous. And don’t worry about your photos – they’ll stay just as clear and crisp as ever!

The optic rings are designed for easy application and a perfect fit. With silicone adhesive along the edges and our easy-to-use applicator, installation is a piece of cake (seriously!). And remember: Once installed, you’ll never again fear your phone tumbling camera-first. This may not happen, but then again … it might!
