Wide View, Sharp Zoom, Full Protection

Outdoor Dual Lens Pan/Tilt Security Camera

Pan, Tilt, and Capture It All

The top wide-angle lens is fixed in place but supports manual Pan (270°) and Tilt (-30° to -10°) adjustment for the best viewing angle. The bottom telephoto lens features automatic pan and tilt to follow motion or shift focus between different areas as needed.

Synchronised Smart Tracking

The two cameras dynamically work together to seamlessly follow movement–when the fixed lens detects events like motion, people, and pets, the pan/tilt lens will automatically pivot to focus on and

track the moving object.

Magnify Details with Telephoto Lens

The 6mm telephoto lens delivers 3× clarity compared to standard lens and supports up to 10.8× digital zoom, ensuring every detail is clearly visible when you zoom in.

Panoramic Coverage of Two Areas, Simultaneously

Monitor two separate areas at the same time with just one powerful camera. Reduce blind spots and get a more thorough, comprehensive overview of your home.

Instant Detail with One-Tap Smart Focus

One tap for instant clarity: select an area in the wide-angle view, and the pan/tilt camera will focus on it instantly.

Smarter, More Accurate Notifications Powered by AI

Stay informed with smart AI detection that recognises and notifies you of people, pets, and vehicles – all without any subscription fees. Tailor your alerts by selecting which types of detection will trigger notifications.

Smart & Versatile Night Vision Modes

Choose from vibrant full-colour with spotlights, discreet black-and-white infrared, or an automatic Smart Mode based on AI light detection for optimal clarity in any nighttime scenario.

Reliable Connectivity with Ethernet Support

Ensure a more stable and consistent connection for your camera with Ethernet support. Ideal for areas with weak Wi-Fi, an Ethernet connection guarantees smooth live streaming and faster data transmission.

Patrol Mode

Set the camera to automatically move between up to 8 preset viewing points at set times.

Engineered for Weather Resilience

Delivers reliable surveillance through rain, snow, dust, and scorching heat. Monitor your property with confidence, no matter the weather.

Pair with Smart Assistants

Includes seamless integration with Amazon Alexa, Google Assistant, and Samsung SmartThings. View live streams on your Echo Show or Chromecast.

Two-Way Audio

Built-in premium microphone and speakers ensure you can hear and be heard with exceptional clarity.

Adaptable Installation Options

Tapo C545D can be securely mounted on a wall, affixed to the celling, or even held by a rod - designed to withstand the elements and deliver dependable monitoring across diverse outdoor settings.
