

Siku 1999 scale model Tractor 1:50

Model: 4006874919994

Manufacturer: SIKU

EAN: 4006874919994

Product Code: 1697741

R1,342

Large wheel loader with large bucketThe Claas Torion 1914 is the top range of the Claas wheel loaders. With its high bucket volume and high tipping load, it is ideal for large enterprises and contractors. Of course, in 1:50 scale as well, it can shift a lot of material in the playroom farmyard, thanks to its loading arm with the movable bucket. With its four big wheels with agricultural tread, the wheel loader is well equipped even outside the farmyard. The steering joint makes the big wheels very agile when working on the farm.
