Product Code: 1697784

R9,106

FSP Clippers RT Series Clippers series is a premium featured online double conversion UPS with Rack/Tower design and high efficiency to reduce customer‘s total cost of ownership. The internal hot-swappable battery increases system reliability and reduces MTTR; the parallel function is designed for future equipment expansion. Its special firmware design can adapt to various applications like laser printers and ultrasound devices and supports long backup time with battery monitoring.
