Keep your office laser printer performing just as it should and ensuring your printouts remain the best-possible quality with this genuine Brother BU800CL transfer belt unit. The BU800CL is simple to install, reliable and long-lasting. Compatible with a range of printers, our belt units will help you keep on printing. When prompted by your printer replace your belt unit with a genuine Brother BU800CL supply to maintain high print quality. Leaving your current belt unit in the printer beyond the recommended number of prints will lead to poor performance and could damage your device.
