Model: AA0146

Manufacturer: LOGILINK

EAN: 4052792064094

Product Code: 1700816

R699

Keep your phone close at hand while driving. LogiLink's mechanical mounting design keeps your smartphone shockproof and secure on your bike, even on bumpy roads. Mounting is child's play and fits all handlebars with a diameter of 22.2–31.8 mm. In addition, the fixed mount is adjustable in width from 55–95 mm. Included: spacers, for more protection against scratches. Perfect for bicycles, scooters and strollers.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
