

LogiLink ID0191 mouse Office Bluetooth Optical 1200 DPI

Model: ID0191

Manufacturer: LOGILINK

EAN: 4052792056709

Product Code: 1701020

R840

Product information "Ergonomic mouse, wireless, 2.4 GHz, 1200 dpi, black" from LogiLink

Hours of working with the computer mouse often causes a unnatural posture and pain. LogiLink’s scientific advanced ergonomic computer mouse has natural hand positioning which eases hand and wrist tension. The dual connection mode allows you to switch between 2.4 GHz wireless and Bluetooth 4.2. After 10 minutes of inactivity, the mouse automatically switches to sleep mode to saving power.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
