

LogiLink NK4019 keystone module

Model: NK4019

Manufacturer: LOGILINK

EAN: 4052792060256

Product Code: 1701021

R605

Product information "Cat.6A Keystone Jack STP AWG22-26, 14.8mm, PrimeLine" from LogiLink Professional

LogiLink’s Cat.6A 10 Gbps super slim type keystone jack is especially designed for high density patch panels as 24 Port half unit or 48 port with one unit height. Our keystone jacks were engineered to simplify the termination helping you save time and money with features like easy to read wire labels and tool-less termination when using the IDC cap. LogiLink’s Keystone Jacks comply with stringent industry transmissions and safety standards.
