Lanview LV-6AFTP-FLEX-ANG-10W networking cable

Model: LV-6AFTP-FLEX-ANG-10W

Manufacturer: S-IMPULS

EAN: 4017538138422

Product Code: 1701093

R699

Lanview Flex-Angle Cat6A patch cables have a bendable angle.
The transition from plug and cable can be angled in all
four directions, with up to 90°.
This is made possible by a combination of very elastic
plastic and flexible metal strands which are incorporated
in this cable.
Info:
Choose your angle before plugging the cable into the RJ45 jack. If you bend the angle while the plug is already plugged in in the RJ45 jack it could damage the network jack.
