ACT Red 2 meters U/UTP CAT6A LSZH lockable patch cable snagless with RJ45 connectors

Model: FB5502

Manufacturer: ACT

EAN: 8716065544985

Product Code: 1701235

R859

DESCRIPTION

The ACT CAT6A U/UTP LSZH patch cables are designed with lockable RJ45 connectors to prevent accidental disconnection of important network connections. Ideal for use in servers, network switches, outlets and POS terminals.

Lockable RJ45 connectors

The RJ45 connectors are fitted with a lock. Using this connector is the same as using a standard patch cable with an RJ45 connector. Simply insert the connector and push the lock to secure the cable. Use the supplied extraction tool to unlock the connector. Ideal for use in servers, network switches, wall outlets and POS terminals to prevent accidental disconnection.

LSZH cable jacket

The use of a LSZH (Low Smoke Zero Halogen) cable jacket reduces the risk of high concentrations of toxic gases if the cable is damaged by fire or short circuit.

Full copper wires and gold plated contacts

The ACT U/UTP patch cable has full copper 24AWG wires and 50µ gold plated RJ45 contacts and complies with the international standard ANSI/TIA-568.2-D.
