ACT DD7902 networking cable Black 2 m Cat6a U/UTP (UTP)

Model: DD7902

Manufacturer: ACT

EAN: 8716065571295

Product Code: 1701518

R734

CAT6A U/UTP slimline datacenter patch cables are smaller in diameter (3.6mm vs 5.9mm) than regular CAT6A patch cords. The bend radius is smaller compared to standard patch cords. This results in better airflow in the server rack or network cabinet.

The patch cable has a 90° angled down RJ45 connector to a 90° angled up RJ45 connector. Ideal for situations where space is limited without compromising the bend radius. For example in network cabinets and behind equipment.

Also available with a straight, 90° angled left or right RJ45 connector.

The use of a LSZH (Low Smoke Zero Halogen) cable jacket reduces the risk of high concentrations of toxic gases if the cable is damaged by fire or short circuit.
