Model: 17660W

Manufacturer: LOGILINK

EAN: 4043718109050

Product Code: 1702927

R3,181

This InLine® HDMI-DVI adapter can be used to connect various DVI video sources with a digital signal, such as set-top boxes, DVD players, BlueRay, graphics cards and others to HDMI-cabled audio/video display devices such as monitors, projectors, digital TVs and more. Tested on a Display with 4K2K @30Mh resolutions, this adapter also finds applications in Audio / Video (A/V) systems, Home Entertainment, Digital Signage, digital signage, professional and industrial videoposters or digital signage in environments such as conference rooms, auditoriums, airports, stadiums and more. This special HDMI adapter can be swivelled up to 180° by means of a mechanical joint, thus facilitating installation in situations where the distance between the TV or monitor and the wall is narrow.
