Copenhagen ICON with kickstand combines everyday protection with practical wallet functionality in a refined, modern design. Made from dbramante1928's ICON material, it features a soft-touch finish that resists stains, scratches and pen marks. Just wipe it clean.

The slim folio design keeps your essentials organised with three dedicated card slots, space for up to five cards, and a note section. An integrated rotating stand provides stable hands-free viewing in both portrait and landscape orientations, making it ideal for video calls, streaming and browsing.

Designed for everyday convenience, the case features a custom-fit slim profile with a secure magnetic side closure while maintaining easy access to all ports and buttons.

Crafted with GRS-certified recycled plastic materials and designed for recyclability, Copenhagen
